

*This isn't
a fishing boat.*

*So Ean
is stuck on
the Verano.*

Mr. Hyul?

Nobody is here.

*Why are there flower
decorations all over
the ship? This looks
like a party yacht.*

Welcome to the
Venus. Follow the
flowers and they
will lead you to your
destination.

That voice
sounds weird.
Is it *him* again?

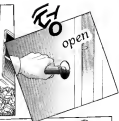

Mr. Hyul Choi

Why are there
paper flowers
all over the place?

Come out right now!
I don't have time for
your games. All I want
is to see you.

Come in.

I am going to take
two candles out.
You are 17 years old

Don't take them
out...and now
read the writing
on the cake

I will kill you

심-이
scared

Stop...stop
joking around

Show me your
face now

Are you angry because
of what my father did?
Do you hate me now?

What would
you do if
I was angry?

Would you give yourself to me?

Are you an idiot?
Do you need me to prove it to you?

I'd always choose you.

Would you give yourself to me?

Are you an idiot?
Do you need me to prove it to you?

I'd always choose you.

Would you give yourself to me?

Are you an idiot? Do you need me to prove it to you?

I'd always choose you.

Come here.

This is weird.

Why did Ma Hyul spend so much money on this? I thought he was poor.

It's dark, I can't see him.

I have a bad feeling about this.

You're not Ma Hyul?
If who are you?

Hie Ri! It's about to set.

Do you really want study at my place?

Mom, I'm going to be staying over at a friend's house tonight.

I can't focus on my studies when I'm at home. Everything is too noisy.

Bo Eun? No, I heard she left early today.

She'll be home soon...

The only thing you ever cared about before was your romance life. I'm surprised you wanted to study today, and you finally realize that you're a student!

Hie Ri! Do you want to study with us too??

No way! If
he joins us,
you won't
focus at all.

Even so, if you change
promach, that'll
be a completely
different person.

That's good though,
study hard!

If there is a
slipping case with
her friends, then
who was the
responsible if
accident to her
sister?

I'm his brother and
he didn't even create me

He then said
that it neither
did them be
with me...

I'm not having
a good day...

VROOOOM!

*I've decided
to not see you
anymore.*

*But in return,
Mu Hyul is not
allowed to be
near So Eun.*

*This money
should help out.*

*It pains me to
see you so ill.*

*Thank you
for your
concern.*

*But your actions
weren't the reason
why my husband
collapsed.*

*He's sick because
of Seung Joon...*

*It must have hurt
him to hold such
a big secret. Every every
time I think about it.*

Our family was so happy when he became a doctor, and yet we had no idea it was making him so miserable. But my husband loves Seung Joon, so he will recover soon.

We want Seung Joon to look down on us with ease. That's why our family refuses to be unhappy.

What Seung Joon did was absolutely wrong, so we understand why you did those things to us.

That's why we aren't angry at you.

And that's why we have no reason to accept your money.

Just unless Mr. Hyul has done something illegal.

I have no control over his life.

You're ignoring
your parental duties
by letting your son
do as he pleases.

Are you trying to
imply something
about my son?

I understand you're
old and tired, but your
hospital would be even
a hospital. Do you even
understand how
cray the world is?

Do you even get to eat
a full meal anymore?
You lost everything
because you spent so
much time trying
to live a virtuous life.

I refuse to take
advice from a
family like that.

Absurd and narrow-
minded businessmen
like you are the reason
why I leave for this
country.

You should leave now
And I guarantee I'm so
virtuous, I may as well
use up the remaining
salt I have!

What makes them think
they can be so rude??
I was just trying to talk
to them for Do Eun...

I guess we
should go now

Please...
stop it.

It doesn't matter
what the children
are doing. As long as
they're healthy,
that's all we need.

You should learn to
be happy and take
care of yourself!

You're finally reunited
with Do Eun... so spend
more time with her.

Speak for yourself.
You're the sick one.

What kind
of doctor
gets sick?

I came looking
for Bo Eun...

But instead I got
to see something
amazing.

Why are you
looking for
Bo Eun??

I thought she came
to visit her friend, so
I wanted to intercept
them. But it seems I
have no reason to
be here.

But before
I forget,

That his son didn't
regret being a doctor.

Tell Mr. Hysl's father
that I once heard
from a drunken doctor,

He sobbed like a baby
as he was apologizing
and saying how much
he loved his family.

He was tempted to
commit many crimes,
but thanks to your words...

He stopped after
snatching two babies
Because of you, many
other lives were saved.

Seung Joon...

The only regret
we have,

is losing you too soon...

We lost everything, but
more importantly, we lost
our child. Seung Joon...

This is too cruel.

Ma Ri is still
our daughter,
no matter what.

Why do we
have to do this
to a family
that lost their
child?

So Dan
and Ma Myel
can not be
together.

And we will
never give
away Ma Ri.

Was he really
kissing another
woman?

Maybe it's because
I yelled at Ma Myel.

Honey...

Would I be
in my family?

Didn't you and Ma Myel's
mother go to the same
school? I heard you guys
were very romantic
and such other.

Let's try calling
So Dan and see
where she is.

Take me to
Jackson Beach!

Jackson
Beach.

RRR—

RRR—

It's mom.
I need to
ask for help.

Give me
that!

I won't let
you ruin my

*The only guy I want
is Mr Hyul Choi!*

*I would rather
die than be with
Jin Sol, but even
he treats me
better than you.*

*You're a
disgusting
monster!*

*Excuse me! I've treated
you like a princess. I
guess you weren't raised
to appreciate these
things.*

*Stop being so stubborn.
You're acting crazy!*

*You're the
crazy one!*

*Do you even realize
what you're doing? Who
cares if it's your birthday?
You're trying to rape me!*

*It doesn't matter.
If you tell anyone
about this, they'll
think you're a slut.*

*I won't let you
touch me!*

*You can kill me, but I'll
never let you have me.
Get me out of here!*

*Ha! You'd
rather die?*

*I like your feisty
attitude. But if I open the
door, you might fall into
the ocean, and that
wouldn't be very fun.*

*How about we
play a game?*

*I thought I was
just settling for you,
but now I might want
you more than I want
Fate's Rx.*

*I only love
Mu Hyull!*

*You're pretty
strong... That's
cute...*

*But it'd be a
shame if you
died while we
were playing
around...*

*This hurts.
I'm scared.
Help me...
Mu Hyull!*

Open

*I'm only
seventeen
years old...
I don't want
to die...*

*I need to do
something... Why do
I have to be so weak
and helpless...?*

*If only I was stronger...
If I was stronger, I'd be
able to protect myself... I'd
be able to protect the things
that are dear to me...*

Shueisha

Bo Eun?

Mu Hyul Chae!
How are you
on this boat?!

Mu Hyul...

Am I dreaming?
Is it really him?

Move aside!

Bo Eun is hurt!

*Ha! You
underclassmen
talk too much!*

*You're an
uninvited guest.
If you want
Bo Eun...*

*You're going
to have to beat
me.*

*If you do, then
I'll acknowledge
your relationship
with her.*

*But don't
think I'll go
easy on you!*

*All you need to
do is listen to me.*

*And just
remember if
you're too
scared*

*If you get on your
knees and beg hard
enough,*

*Maybe I'll give
you back
to you.*

*I really wanted
the two of you
to be happy.*

So make
your
decision.

Are you
going to
beg or
fight?

Or are you going
to keep glaring
at me? Hahahaha!

crack

Fine, you win
the staring contest.
Now stop looking at
me like that.

You talk
too much...

Mu Hyul...

Is it...
really you?

You've all

even going
to try and let
back?

You've been

But here's what
your beloved
Bo Eun taught
me. Knee kick!

Ah!

I am going
to crush him.

If Bo Eun,

kick!

Taught you
how to knee kick,
then so will I.

You call Bo Eun
your present...

But you
hit her?
